I forward herewith a copy of letter No.M. 269-747/56 dated 4-1-1958 from the Conservator of Forests, Bellary Circle on the subject with a sketch of the area in question for favour of kind perusal. In the circumstances reported by the Conservator of Forests, S.No.277 and 278 may be ordered to be disreserved and handed over to the Municipality for extending Chellakere Town or for cultivation purpose.

Copy of letter No.M.269-747/56-57 dated 4-1-58 from the C.F. Bellary.

Sub:-Application for grant of lands from Ryots of Chellakere Taluk Chitaldrug District.

Ref:-Your memo No.B3-G1.2804/56 dated 25-2-57.

In resubmitting herewith the petition received with the above cited reference, I write to state that the area applied for by the applicants for cultivation purpose is although reported to have not been included in Chellakere State Forest, but is included in the plantation area which is under control of the Forest Department and surrounded by cultivated lands.

This plantation block is comprised of three S.Nos. i.e 277, 278 and 281 and is about half a mile away from the Chellakere State Forest and is 158 acres in extent. The plantations which were raised in the past have not proved successful. As a matter of fact, there is practically no growth now. Chellakere town is also being extended towards the area, as reported by the District Forest Officer, Chitaldrug. I also inspected this area on 9-12-57.

In the above circumstances the District Forest Officer is in favour to release the S.Nos.277 and 278 applied for to the applicants for cultivation purpose. I also agree with him, and recommend for considering the matter favourably.

The sketch of the plantation area is enclosed herewith for kind perusal.

With reference to your letter No.AFD 33/80 DST 58 dated 13-1-59 on the above subject, I write to state that the Conservator of Forests, Bellary reports that Sri Papaiah nagappa and others of Challakere village have agreed to cultivate the land on a nominal rent of Rs. 1/- (one rupee) per acre, per annum, and that they will strictly abide by the conditions ~~of~~ laid down by the Department etc. In this connection I invite your kind reference to your memo No-AFD 33 DST 58 dated 25-3-58 wherein it is ordered that lands may be leased out by the Forest Department itself for a periof of ten years. ~~But~~ In this case, it would be difficult for management by this Department as in case of default, ~~this~~ it would be difficult to take any independent action either to evict the parties or proceed against them.

Ref:-Your letter No.AFD 80 DST 58 dated 3-9-1959.

The grant of land under Hangami lease is only for short periods and these lands are usually being disforested after a few years when the land is properly developed by the lessees. Agri-Silvi system is a method of afforestation and lands under this system are granted only for 2 or 3 years/and during this period no tax will be collected. In the present case the period of lease is ten years which is sufficiently a long period and during this time the work of this department would only be the collection of annual rent.

As the subordinates of this department will have to attend to numerous departmental works under the Five Year Plans etc., and as the work of collecting taxes effectively could be done better by the Revenue Department through Patels this was suggested. The Revenue collected will be credited to Forest Revenues.

Orders of Government may kindly be communicated early for taking further action.

In Government reference quoted first in the preamble Government agreed and sanctioned the lease of land in S.Nos.277 and 278 of Challakere in favour of Harijans etc., for cultivation on a nominal rental.

The Chief Conservator of Forests reports in the his letter dt.6-6-59 that Sri papaiah Nagappa and others of Challakere village have agreed to cultivate the lands on a nominal rent of Rs.1/- per acre per annum and that they will strictly abide themselves by the conditions laid down by the Department.

As the lands have been ordered to be leased out as stated above for a period of ten years, by the Forest Department itself, the Chief Conservator of For ets is of the opinion that it would be difficult for management in case of default by the lessees and recommends that the lands be distributed through the Revenue Department at a nominal rent of Rupee one per acre per annum and the revenue collected by them to be credited to Forest Revenue.

In the circumstances narrated above, Government is pleased to direct that the lands in S.Nos.277 and 278 of Challakere, already ordere to be leased out to the landless Harijans etc., for cultivation, be placed at the disposal of the Revenue Department to be distributed to the applicants namely (1) Sri Papaiah, (2)Sri Chalumaiah & Others, subject to the terms and conditions stipulated by the Chief Conservator of Forests in his letter No.B3-182-2206/57, dt.10-5-60 viz.:-

1. The lands should be granted only to landless persons and each one should produce a certificate to this effect from the Tahsildar concerned.

2. Each person (i.e. one family) be given 5 acres of land for a period of 10 years (as per Govt.Orders already issued).

3. The rent be recovered at the rate of Re.1/- per acre per year and the lessee should remit the rent on 1st April of each year.

4. The land should not be used for any other purpose except for raising food crops.

5. No buildings of a permanent nature should be constructed in the area. But temporary sheds may be put up with the permission of the granting authority.

6. The lessee should not alienate the land and the Saguvali chit should make it clear that alienation will be unauthorised.

7. The lessee should bring the entire area granted to him under cultivation within one year of grant.

.. 2.

8. Breach of any of the above conditions will entail cancellation of the lease and resumption of land to Government.

It is further directed that the Revenue Department as agreed to by them be entrusted with the task of collecting the rent on the lands and to credit the rent so collected to the Forest account.

The Chief Conservator of Forests is requested to take further action accordingly in the matter.
